3.Product Feature And Application

watercolor with pen - this is a very good way to paint. 36 colors to choose from, and you can use them in any order you want! It comes with a metal box, which is perfect for traveling, or storing your art supplies when not in use. This set also includes a paint brush made of high quality materials which will be quite reliable for years to come. The square tablets of paper are great because they reduce warping when wet. Of course, it wouldn't be an art kit without a sponge.

4.Product Details

www.watercolor-paint.com

The Watercolor Pen with Square Tablets is ideal for loose, expressive painting. It comes with 36 colors in an easy-to-open square tablet format that is perfect for mixing colors directly on the paper. The watercolor brush helps you to apply water and control your brush strokes, while the compact pencil matches each color of paint for easy shading and blending.
